CHEF'S TIPS

- Pre-marinate the HARVEST GOURMET® Vegetarian Chargrilled Pieces over night to infuse additional flavour.

PROTEIN BOOSTS FOR THE MENU

HARVEST GOURMET® Vegetarian Chargrilled Pieces are packed with plant-based protein, so you can create salads, wraps, pizzas or even protein bowls. These tasty, vegetarian pieces are ready to eat but also easy to heat, so putting meat free options on the menu has never been easier.

NOT JUST FOR SALADS

Marinate in MAGGI Korean BBQ Sauce or Teriyaki Sauce and use on a pizza, in tacos or lettuce cups.

VERSATILE IN USE

Put the pieces into a wrap and package for an easy plant-based protein takeaway option.

AND MORE!

Swap out chicken for the Chargrilled Pieces in your favourite curry. They absorb the flavour brilliantly whilst adding protein and texture to the dish.
