

Singapore Airlines Corporate Travel Update

SIA Network Updates

In response to the increase in air travel demand, Singapore Airlines (SIA) will be reinstating more flight services to key markets such as Japan, India, and to major cities such as Los Angeles and Paris. SIA will also continue to serve direct flights to Vancouver until March 2023. With the ramp up in operations, it is expected that the SIA Group's projected capacity will be around 68% in the second quarter of FY2022/23. More details can be found in the link below.

SIA Operates its First Flights with Blended Sustainable Aviation Fuel in Singapore

In partnership with CAAS and GenZero, the SIA Group began the use of the neat fuel which is a blend of Sustainable Aviation Fuel (SAF) and Jet fuel into flights from 7 July 2022. This initiative will cut the total carbon dioxide emissions by 2,500 tonnes thus

demonstrating our commitment to achieve net zero carbon emissions by 2050. More details can be found in the link below.

Recognition and Awards

SIA had the honour of being recognized as a Star Partner at the Public Sector Transformation Awards 2022. The award highlights the SIA Group's outstanding contribution towards the society as ambassadors working alongside many government agencies to support the manpower crunch in Singapore at the height of pandemic.

Additionally, SIA has recently been awarded the World's Best International Airline by Travel and Leisure Magazine. SIA has been at the top of the list consistently for 27 years, and this amplifies our commitment in providing outstanding service across the customer's journey. More details can be found in the link below.
