Winc Back to School Service.

We make getting ready for Back to School incredibly fast and efficient with online re-order Templates.

How it works:

STEP 1 - DISCUSS.

Speak with a Winc Education Specialist about your Back to School requirements.

STEP 2 - BUILD.

Orders from the previous year are saved on our online ordering platform so all you need to do is review and update. For new schools, we'll upload your lists and take care of all the administration for you.

STEP 3 - SHARE.

Lists can be shared with staff members so that they can customise their class or department requirements.

STEP 4 - APPROVE.

Once each list owner is satisfied with their requirements list, the nominated Back to School Coordinator will need to approve before submitting the orders to Winc.

STEP 5 - DELIVERED.

Bulk and booklist orders are delivered in one shipment on your nominated delivery date. Orders can be grouped together by department, year level or resource centre.

To learn more about our Back to School Service and to get started with Templates, please call 1800 004 427 or email backtoschool@winc.com.au
