

**Does your
school
washroom
stand up
to close
inspection?**

Partner with Winc, Church Resources and Kimberly-Clark Professional™ to elevate your washroom experience for students and staff.

Our recommended range for use in the following areas

WASHROOM:

In addition to hygiene benefits, the majority of KCP towel and tissue products are FSC® certified to ensure sustainability standards are met.

CANTEEN:

Despite the presence of volunteers, Food Safety standards must still be met. Many of our products are HACCP® certified to be suitable for use in food preparation areas.

Our recommended Wiper solutions & processes

 <p>CLEANING removes germs, dirt and impurities from surfaces or objects... It works by using soap (or detergent) and water to physically remove germs from surfaces.</p> <p>This process does not automatically kill germs, but by removing them, it lowers their numbers and reduces the risk of spreading infection.</p> <p>Prioritise frequently touched surfaces and find more information on proper hand and surface cleaning at www.cdc.gov</p>	 <p>DISINFECTING kills germs on surfaces or objects... It works by using chemicals to kill the germs on surfaces or objects.</p> <p>This process does not necessarily clean dirty surfaces or remove germs, but by killing germs on a surface after cleaning, it can further lower the risk of spreading infection.</p>	 	 	 
		SCOTT® Alcohol Antibacterial Wipe 14cm x 21cm 70 wipes/canister, 12 canisters/case, CODE: 4100	WYPALL® X60 Small Roll Wipers Blue, 24.5 x 42cm, 80 wipers/roll, 6 rolls/case. CODE: 94223	WYPALL® X60 Pop-up Poly Wipers White, 23 x 42.5cm 115 wipers/bag, 12 bags/case. CODE: 94333

1. TORC®Matic® extra long hand towel (290059). 2. Number of hand washes is based on one pump per wash.

Creating a better tomorrow

At Kimberly-Clark, we strive to deliver on our value of caring for the communities where we live and work, ensuring the environment around us and the people we serve will have a brighter future.

We set ambitious sustainability goals in five priority areas which enable us to have a lasting positive impact around the world.

In Australia & New Zealand, our Social Impact goal is to **better the lives of 1.2M people** through programs driven by our brands. Here are just a couple of programs active in schools:

Sneezesafe.com.au: The Sneezesafe program has been running in Australia since 2011. Developed by Australian teachers for Australian schools with the support of KLEENEX® Tissues, Sneezesafe® builds on the Australian Curriculum learning standards for health and wellbeing.

Sneezesafe.co.nz: The Sneezesafe® Healthy Classroom program is a health education program developed for New Zealand and has been running in schools since 2005.

Educating young girls on puberty and menstruation

Our U by Kotex® Schools Program across ANZ is a fully syllabus-compliant resource program which helps teachers by supplying them with valuable resources, including lesson plans, interactive digital teaching materials and product samples to assist them with their classes on puberty and menstruation for both girls and boys.

Each year this program reaches around 430,000 girls across ANZ.

Kimberly-Clark Professional™ independent and proprietary accreditations include...

Ensures wood products are sourced from sustainably well managed forests.
