## Australian Hospital Nutrition Standards

Heinz 180g soups have been developed to meet nutrition standards for hospital meals.

Menu items are classified into Bands or Groups based on the nutrition information. The Band 1 and 2 nutrition criteria for soups varies between states, and includes:

- ✓ Portion size
- ✓ Minimum requirements per serve for: Energy & Protein
- ✓ Maximum requirements per serve for: Fat & Sodium

Band 1 soups provide more protein and energy than Band 2 soups. Soups are usually an adult menu choice with an accompanying lunch or dinner meal.

### Chilli Mango Prawns

Succulent prawns coated in a light, crispy batter & filled with a tantalizing mix of sweet juicy mango and a fiery kick of chilli

### Lightly Dusted Calamari Dippers

Coated in a delicate, golden dusting to enhance every bite with a delightful combination of crunch on the outside and tender, juicy calamari on the inside.

### Crispy Tempura Onion Rings

Light, crispy onion rings with a delicate flavour. Hand dipped, hand cut and pre-fried in a tempura batter that minimises oil absorption.

## *NEW from Pacific West*

At Pacific West, we've been supplying the world's seafood to the Australian food industry since 1995.

Backed by our heritage and driven forward by innovation, we constantly seek new and better ways to deliver a diverse range of quality produce, from food service to retail brands, and private label supply.

With robust international partnerships, we're able to bring you the finest variety of seafood from around the globe. We're committed to integrating many facets of our business to ensure consistent delivery of premium products... from ocean to plate.
