

AT INGHAM'S WE *recognise* THAT **SUSTAINABILITY AND BUSINESS PERFORMANCE** ARE INTRINSICALLY LINKED.

As one of the largest integrated poultry producers across Australia and New Zealand with over a 100-year history, we are well positioned to make a positive difference by addressing sustainability challenges and opportunities.

We have a lot to be proud of already; achieving 100% accreditation by the Royal Society for the Prevention of Cruelty to Animals (RSPCA) Approved Farming Scheme in Australia, tracking to the 2025 National Packaging Targets and ensuring that waste in our chicken production is minimised.

We recognise that sustainability and business performance are intrinsically linked and that to continue being leaders in sustainable poultry, we must challenge ourselves to make change, invest in the work required and collaborate with our partners and customers to make a difference. Over the coming 12 months, more detail will be shared about Ingham's sustainability strategy and the journey to achieve our goals, which is underpinned by the below principles.

AMBITION

We relentlessly pursue our ambition through good times and challenging times.

ACTION

We set commitments for the issues that matter most and aspire to make a positive difference on global issues.

ACCOUNTABILITY

We ensure accountability for sustainability across the business, up to the Board.

EMBED

We embed sustainability into our business strategy, value proposition and marketing plans.

EMPOWER AND ENABLE

We translate sustainability into relevant and accessible actions for our people and partners.

EVOLVE

We won't always get it right, but we'll listen, learn, reflect and progress.

Christmas Mixed fruit Cake

25 minutes Prep

3h 30m cook

20 servings

Ingredients

- Melted slightly salted butter, to grease.
- 800 g dried mixed fruit
- 410g jar fruit mince
- 1 Tbsp finely grated orange rind
- 1/2 cup (125ml) orange juice
- 1/3 cup (80ml) brandy
- 250g unsalted butter, melted, cooled
- 1 cup (200g) firmly packed brown sugar
- 2 cups (300 g) plain flour
- 1 cup (150g) self-raising flour
- 2 1/2 tsp mixed spice
- 4 eggs, lightly whisked
- 1 Cup (160 g) blanched almonds
- 2 Tbsp apricot jam, warmed

Method

- Preheat oven to 150°C. Grease a deep 22cm round cake pan with melted butter. Line the base and side with 3 layers of non-stick baking paper, extending 5cm above edge.
- Combine the dried fruit, fruit mince, orange rind and orange juice in a large saucepan over medium low heat. Cook, stirring, for 10 minutes or until fruits soften. Remove from heat and set aside for 30 minutes to cool. Add the brandy and stir to combine.
- Add butter and sugar to fruit mixture and stir to combine. Add the combined flours and mixed spice and stir to combine. Add the eggs and stir until well combined. Spoon into prepared pan and smooth the surface. Lightly tap pan on bench top to settle the mixture. Arrange the almonds over the top of the cake.
- Bake in preheated oven for 3 hours 15 minutes or until a skewer inserted into centre comes out clean, covering cake loosely with foil if over browning. Remove from oven. Brush hot cake with apricot jam. Cover cake with foil. Wrap cake in a large tea towel and set aside overnight to cool completely.
- Turn cake onto a serving platter to serve.
