

## Qantas Extension to Flexible Booking Options

To make things as easy as possible for you and your employees to use your travel credits, Qantas has extended the flexible booking mechanism, known as the travel credits commercial policy and used by your TMC, until 31 March 2023.

As part of their travel credits initiative, Qantas has simplified and relaxed fare conditions for tickets issued prior to 1 October 2021, and have extended those relaxed conditions for reissued tickets until 31 March 2023. Qantas are removing change fees, allowing name changes free of charge on both Australian domestic and international itineraries and are also extending the validity of reissued tickets.
